I am writing to request Filing Administrator Access to gain access to our Ohio tax ID for an employee we have in Ohio. The administrator currently on file with your department is no longer with our organization, so I need to transfer access to myself.

The current administrator is Brandi Slaughter, brandi@bridgebuilders.llc.

The account information to add is Scott Langley, user name is "deathpenaltyaction" under the email address, scott@deathpenaltyaction.org.

Thank you for your time and attention,

Scott Langley
